The choice of an employee to be rehired shall be based on the foregoing, provided the employee can, in the judgment of the Superintendent of Schools, satisfactorily perform the work available. No person shall be newly employed in a classification that includes an individual on the recall list until all persons on the recall list in that classification have been notified by certified mail to the individual's last known address and such individuals either are offered employment or decline such re-employment offer. It shall be the laid off individual's responsibility to notify the Superintendent of Schools of his/her current address. An individual who declines an offer of re-employment in the same classification as previously employed shall forfeit recall rights. Every effort will be made to fill all positions within a reasonable time frame. No posting shall be required in a situation where an incumbent employee is placed in a position in

order to avoid employment termination or displacement of another employee, after consulting with an authorized union representative.

Section 2

For purpose of this Article, "vacancy" shall mean positions which are opened as a result of death, retirement, discharge, resignation, promotion or the creation of a new position. Promotional appointments within the bargaining unit shall generate no more than two (2) vacancies subject to Section 1 above, but shall not prevent the Superintendent of Schools from continuing to post vacancies.

Section 3

Vacancies shall be filled on the basis of qualifications, skills and experience. Where these factors are substantially equal between or among candidates, as determined by the Superintendent, the candidate with the greater seniority shall be appointed. If a presently employed candidate is not selected for the job opening, he/she may request a meeting with the Superintendent or his/her designee to discuss the reasons he/she was not selected. The Superintendent reserves the right to reject all candidates and re-post positions or re-advertise positions.

Section 4

Copies of the job posting and a list of bargaining unit members applying for the job shall be sent to the Union President not later than five (5) working days after the posting period. The name of the person appointed shall be sent to the Union President when an appointment is made.

Section 5

The posting and selection provisions noted above shall not apply to vacancies which are initially temporary in nature, for example, those caused by leaves of absence such as sick leave, vacation, medical leave, and childbearing or child rearing leave, but shall be subject to posting and selection provisions once deemed a permanent position.

- D. Such leave may extend for the remainder of the work year and the ensuing work year. The actual return date of the bargaining unit member shall be mutually agreed upon in advance, taking into consideration the best educational interest of the school system.
- E. Whenever a leave encompasses a full year or more, the bargaining unit member shall notify the Superintendent ninety (90) days before the agreed upon return date, in writing, or his/her intent to return.

The employee shall, prior to the commencement of the leave, agree in writing that failure to notify the Superintendent as noted above or failure to comply with the agreed upon date of return will be considered a resignation effective upon the happening of either event.

- F. Further, it is understood that employees on leave of absence are subject to the provisions of Article X of this Agreement concerning layoff and recall.
- G. Upon return from leave, the employee shall be assigned by the Superintendent to his/her former position or an equivalent position.
- H. This Article shall not impair an employee's right to childbearing leave as provided by law. Section 46a-60 of the General Statutes is attached for informational purposes only.

ARTICLE XIII
WORKERS' COMPENSATION DIFFERENTIAL

Whenever a bargaining unit member is absent from work as a result of a personal injury caused by an accident arising out of and in the course of his/her employment, he/she shall be permitted to substitute accrued paid sick leave to make up the difference between his/her worker's compensation benefit and his/her full net salary. - A. a verbal warning;
- B. a written warning;
- C. suspension without pay; and

and shall follow in this order except in cases of serious misconduct in which case immediate application of C or D is permissible.

Section 3

No employee shall be suspended or discharged except for just cause. The reason for such action must be stated in writing and a copy given to the employee at the time of suspension or discharge.

Section 4

The service record of any employee disciplined under the provisions of this Article, without any further infraction, shall be cleared after 18 months for a verbal warning. For a written warning the record shall be cleared after 24 months. Suspensions of 3 days or less shall be cleared after 36 months. Any suspension more than 3 days shall be cleared after 60 months. It is further understood and agreed upon, however, that any disciplinary records which may be of a serious nature such as involving the welfare of students and/or staff shall be retrievable at any time by the Board for the purposes of establishing progressive discipline should the same or similar alleged serious misconduct reoccur in the future. A. Level One – Informal Procedure

Prior to filing a grievance, the grievant may discuss the matter with his/her immediate administrator in an attempt to resolve informally the situation.

B. Level Two – Immediate Administrator

Within twenty (20) days after the employee knew or should have known of the alleged grievance, the Union official shall file a written complaint with the immediate administrator, setting forth the facts of the complaint, identifying the specific contract language which the grievant alleges to have been violated, misinterpreted, or misapplied and stating the remedy

requested. Within five (5) days after receiving the written grievance the administrator shall meet with the grievant and Union Steward and attempt to resolve the grievance. Within five (5) days after such meeting, the administrator shall render his decision in writing to the Steward and the grievant. If for any reason the administrator does not render his decision within five (5) days after the meeting, or if the decision is rendered and the Union wishes to appeal, the Union may appeal to Level 3.

D. Level Four – Board of Education

An appeal to the Board of Education must be made in writing within five (5) days after the Superintendent renders his decision, or within five (5) days after the five (5) day period set forth in Level 3 for rendering a decision has expired. The written appeal must repeat all information specified in the complaint submitted to the Superintendent. The Board of Education or a committee of the Board will hear the grievance, within twenty (20) days after the submission of the grievance and shall issue a decision in writing to the Union Official and the Council 4 Representative within ten (10) days from the date of the hearing.

E. Level Five – Arbitration

If the union is not satisfied with the disposition of its grievance at Level 4, it may submit a claim for arbitration with the Connecticut State Board of Mediation and Arbitration within ten days after receiving the Board's or its committee's response to the grievance or within ten days after the ten-day period set forth in Level Four for rendering a decision has expired. Notwithstanding the above, the Board may choose to submit the grievance to the American Arbitration Association by filing a demand for arbitration within ten days of receipt of the union's notice of intent to submit the grievance to arbitration. In such a case, the Board shall pay the entire cost of the filing fee as well as the entire cost of the fees and expenses of the arbitrator. The American Arbitration Association shall act as the administrator for these proceedings. Whereas, the Board and the Union are parties to a collective bargaining agreement covering the period July 1, 2015 through June 30, 2019, (the "Agreement").

Now therefore, the parties agree that the following provisions will be effective July 1, 2018:

Effective July 1, 2018, subject to the conditions set forth below, in lieu of the health benefits described in Article VI (Insurance), the Board shall offer each bargaining unit member the opportunity to participate in the Connecticut State Partnership Plan 2.0 (SPP) for health benefits. The health plan benefits shall be as set forth in the SPP effective on July 1, 2018, including any subsequent amendments or modifications made to the SPP by the State and its employee representatives. The dental benefits shall be provided through Delta Dental and shall approximate the dental benefits set forth in Article VI (Insurance). The administration of the SPP, including open enrollment, beneficiary eligibility and changes, and other administration provisions shall be as established by the SPP.

- a. Promptly upon ratification of this Agreement, the Board shall apply to the State to admit this bargaining unit to the SPP. Should the Board's application be accepted, these provisions related to the SPP shall be implemented. Should the Board's application be rejected and reconsideration be denied, the parties shall maintain the status quo until time to negotiate successor agreement.
- b. The premium rates shall be set by the SPP.
- c. The employee percentage share of such premium cost shall be consistent with the parties' collective bargaining agreement.
- d. The SPP contains a Health Enhancement Plan (HEP) component. All employees participating in the SPP are subject to the terms and provisions of the HEP. In the event SPP administrators impose the HEP non-participation or noncompliance \$100 per month premium cost increase or the \$350 per participant to a maximum of \$1400 family annual deductible, those sums shall be paid 100% in their entirety by the non-participating or non-compliant employee. No portion or percentage shall be paid by the Board. The \$100 per month premium cost increase shall be implemented through payroll deduction, and the \$350/\$1400 annual deductible shall be implemented through claims administration.

- e. In the event any of the following occur, the Board or the Union may reopen negotiations in accordance with Conn. Gen. Stat. § 7-473c(b) as to the sole issue of health insurance, including plan design and plan funding, premium cost share and/or introduction of replacement medical insurance in whole or in part.
- i) If the SPP in its current form is no longer available; or if the benefit plan design of the SPP is modified as a result of a change in the State’s collective bargaining agreement with SEBAC, if such modifications would substantially increase the cost of the medical insurance plan offered herein. Reopener negotiations shall be limited to health insurance plan design and funding, premium cost share and/or introduction of an additional optional health insurance plan; and/or
 - ii) If Conn. Gen. Stat. Section 3-123rrr et seq. is amended, or if there are any changes to the administration of the SPP, or if additional fees and/or charges for the SPP are imposed so as to affect the Board, any of which amendments, changes, fees or charges (individually or collectively) would substantially increase the cost of the medical insurance plan offered herein. Reopener negotiations shall be limited to health insurance plan design and funding, premium cost share and/or introduction of an additional optional health insurance plan; and/or
 - iii) If the cost of medical insurance plan offered herein is expected to result in the triggering of an excise tax under The Patient Protection and Affordable Care Act ([ACA; P.L. 111-148], as amended, inter alia, by the Consolidated Appropriations Act of 2016 [P.L. 114-113]) and/or if there is any material amendment to the ACA that would substantially increase the cost of the medical insurance plan offered herein. Reopener negotiations shall be limited to health insurance plan design and funding, premium cost share and/or introduction of an additional optional health insurance plan.
- f. In any negotiations triggered under subparagraph e above as well as negotiations for a successor to this collective bargaining agreement, the parties shall consider the High Deductible Health Plan with Health Savings Account set forth in Article VI (Insurance) to be the baseline for such negotiations, and the parties shall consider the following additional factors:
- Trends in health insurance plan design outside of the SPP;
