

Taglines and Providing Meaningful Access to the Child Nutrition Programs

The U.S. Department of Agriculture's (USDA) [Food and Nutrition Service \(FNS\) Instruction 113-1](#) requires local educational agencies (LEAs) that participate in the federally funded Child Nutrition Programs (CNPs) to take responsible steps to ensure meaningful access to their programs and activities by English learners. The USDA defines English learners as individuals who do not speak English as their primary language and who have a limited ability to read, speak, write, or understand English.

To assist LEAs with providing meaningful access to their CNPs, the Connecticut State Department of Education (CSDE) has developed a list of taglines that LEAs can use when communicating with parents and guardians within the school district or institution. The purpose of the taglines is to inform the English learner parent/guardian (in their spoken language) of who to contact within the district or institution if they need language assistance services.

The sample taglines on page 2 are in the six most frequently spoken languages in Connecticut, according to the CSDE's [English Learners](#) website. The six languages are:

- Spanish;
- Arabic;
- Chinese;
- Portuguese;
- Polish; and
- Creole.

LEAs should also be aware of the English learner languages spoken within their district or institution. For additional language tagline translations, visit the U.S. Department of Health and Human Services' [Translated Resources for Covered Entities](#) website.

LEAs should include all taglines with their Frequently Asked Questions (FAQs) letter, which is sent to all households at the beginning of the school year; and any time a new student registers with the district. LEAs should also have a plan in place to meet the language needs of parents/guardians who contact the district or institution to request language assistance services. **Note:** The FAQ letter is available on the CSDE's website at <https://portal.ct.gov/SDE/Nutrition/Eligibility-for-Free-and-Reduced-price-Meals-and-Milk-in-School-Nutrition-Programs/Documents>.

The CSDE's [Sample Taglines Form](#) is a Word version of the taglines that LEAs may edit as needed.
